### NORMA BOND PASSES AWAY

Norma Bond, a long-standing member of our club, passed away on December 18, 2008.

Her extensive hosta collection now resides in the memorial garden at the Bettendorf Children's Museum. Several years ago, when she knew she would be unable to maintain her hosta collection, she talked to Ron Simmering and several club members then dug her hostas and replanted them at the Bettendorf Children's Museum. Now many people can enjoy them.

She also grew such a variety of iris that her nickname was the "Iris Lady." Her major life's interest and passion was organic gardening. Aside from a prolific vegetable garden every year, her yard was a master plan of coordinated blooms all year long, from the first crocus to the last azalea and rose.

She will be remembered by her friends in MVHS, QC Iris Society and the Moline Horticulture Club.

Our sympathy to Ann DeSalvo. Her husband, Tom, passed away on January 8, 2009. Her home address is 2435 Arbor Drive, Davenport, IA 52803.

### Minutes of November 9, 2008 Meeting

President Ron Simmering called the meeting to order at 2 PM. The minutes of the last meeting were read and approved and the Treasurer gave his report.

#### **Old Business**

Ron advised the club donated a couple of trees to the VanderVeer Hosta Glade. These replaced the trees which were removed due to age or storm damage.

Teri Simmering advised there are still a few 2007 Convention T-Shirts available at a good price of \$5. Please call her to see if she has your size.

#### **New Business**

Election of officers was then held. Carolyn read the slate of officers and they were elected without any nominations from the floor. New officers are: President-Shirley Waters, Vice President-Sally Freeman, Secretary-Sandy Fedler, Treasurer-Dean Piatt, Past President-Ron Simmering. Appointed officers will be announced at a later date.

The Winter Scientific Meeting will be held in Schaumburg, IL on January 17, 2009, and will be sponsored by the Midwest Regional Hosta Society. Various midwest societies will help and this year our club is responsible for manning the Hospitality Room. Volunteers are needed. Contact Carolyn Hamilton if you can help. We will be required to replenish food and drink which is being supplied by Northern Illinois Hosta Society.

Carolyn, Newsletter Editor, requested authorization to purchase new newsletter software. A motion was made and seconded this expense be allowed.

As there was no other business, the meeting was adjourned.

Following refreshments, a discussion was held on growing hostas in our area. favorites, which ones didn't make it, hard to grow, etc.

**'JUNE' tops popularity poll for fifth consecutive year!**

from Hosta Hotline, Mid-South Hosta Society  
Even with the proliferation of fabulous new hostas in recent years, 'June' remains the favorite of American Hosta Society members for the fifth straight year.

Results of The Hosta Journal's popularity pole show 'June', the most prominent sport of 'Halcyon', topping 'Sagae' for the fourth year after the two tied two years ago.

From year to year, many old favorites have stood tall among the top 25. 'Sum and Substance' slipped from #3 to #6 a year ago, but reclaimed third in the latest poll. Also, 'Krossa Regal' plummeted from 7th to 19th and then jumped back to #6.

'Blue Mouse Ears', the 2008 Hosta of the Year, made its first appearance in the poll a year ago at #24 and AHS members have now promoted the tough little hosta to #12.

1. 'June'
2. 'Sagae'
3. 'Sum and Substance'
4. 'Blue Angel'
5. 'Striptease'
6. 'Krossa Regal'
7. 'Paradigm'
8. 'Guacamole'
9. 'Paul's Glory'
10. *montana* 'Aureomarginata'
11. 'Stained Glass'
12. 'Blue Mouse Ears'
13. 'Regal Splendor'
14. 'Halcyon'
15. 'Gold Standard'
16. 'Abiqua Drinking Gourd'
17. 'Great Expectations'
18. 'Liberty'
19. 'Sun Power'
20. 'On Stage'
21. 'Fragrant Bouquet'
22. 'Niagara Falls'
23. 'Whirlwind'
24. 'Guardian Angel'
25. 'Spilt Milk'

In a separate poll of miniature hostas, 'Pandora's Box' remains the favorite by nearly 2-to-1 over parent 'Baby Bunting'. Other minis, in order of ranking are 'Lemon Lime', 'Tiny Tears', 'Twist of Lime', *venusta*, 'Cookie Crumbs', 'Green Eyes', 'Popo', 'Little Wonder' and 'Feather Boa'.

**COME TO MICHIGAN  
2009 AHS CONVENTION  
June 24-27, 2009**

The AHS convention's site is in Lansing, centrally located in Michigan's lower peninsula. The convention tours include West Michigan (optional tour day, June 24), South Central Michigan (including the Michigan Hosta Society Hillside display garden at Hidden Lake Gardens in the Irish Hills), and Eastern Michigan. Many gardens are new to the national tour.

We will gather for Thursday evening welcome reception at the Michigan State University's display gardens, greeting old friends, and making new friends, beginning our celebration of Great Gardens, Great Friends.

The Registration Form and schedule are available at their web site: <http://www.ihostohio.org/mhs/>.

**Dorothy and Bev Wilson**

Bev and Dorothy Wilson are now living in the same care facility in Geneseo, IL. They are in the Good Samaritan, 704 South Illinois St., Room 104, Geneseo, IL 61254.

Dorothy is able to go to the kitchen there and make some of her good cookies to share with the other residents.

She says hello to all, and would like to hear from all of her friends.

**SOLBERG CLUB PLANT HOSTAS**

We are again taking orders for Bob Solberg club hostas. If you would like to purchase some nice hostas at club prices, please fill out your order sheet and return it to Shirley Waters, with your check, by April 1, 2009;

Solberg hostas are always nice-sized plants and come bare-root, so they will need potting or planting soon after you pick them up.

**2009 HOSTA FINDER**

Dean Piatt is now taking orders for the 2009 Hosta Finder. It will cost \$13 this year and if you want it mailed, please add \$3.25. The books will be available at the March meeting.

To pre-order, please send a check (made out to MVHS) to Dean at 2910 Telegraph Rd., Davenport, IA 52804. His email is: [dpiatt@mhosta.org](mailto:dpiatt@mhosta.org).

The Hosta Finder is a wonderful reference and is a comparison of prices of hostas offered from approximately 50 growers.

**AHS ON-LINE AUCTION**

There is another AHS On-Line Auction which which started on Saturday, January 17 and will run until Saturday, January 31. The proceeds from this auction will help with the expenses incurred with The Hosta Journal.

If you would like to participate, the site has very understandable instructions for registering and then bidding; the site's address is: <http://www.hosta.org> and then click on the auction box.

If you aren't participating and just want to see what some of the hostas are going for, it is a lot of fun and interesting. You will see a lot of donated hostas that aren't offered anywhere else.
